Direct & Indirect Object
Picture Prompts Board Game

1. Roll the number cube to determine if you will state a sentence with only a direct object or a direct and an indirect object.
   (even numbers = direct object only,
   odd numbers = direct and indirect objects)
2. Take the top card and state a complete sentence about the picture.
3. If the other players agree your sentence is grammatically correct, move your piece the number indicated on the number cube.
4. Place the picture at the bottom of the pile.
