

Escape!

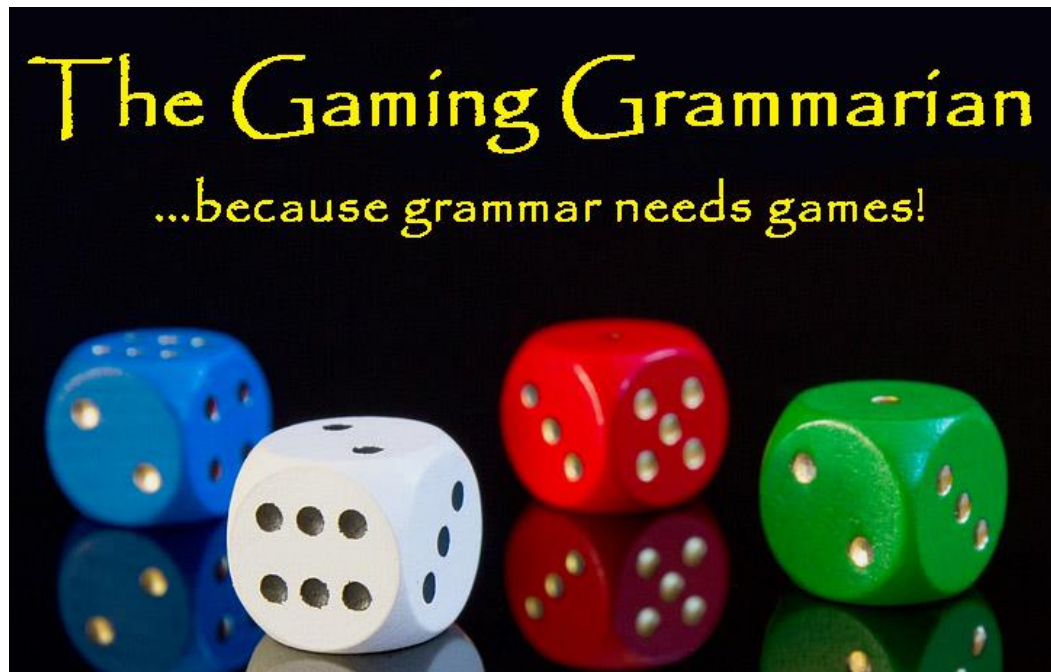

The Infinitive Grid

Set Up:

1. Print grids, one for every four students.
2. Laminate grids.
3. Gather dry erase markers, a different color for each student.

Directions:

1. Students choose one side from which to start. Only one student may start from any given side.
2. Students may choose any word(s) (nouns, verbs, and be + adjectives commonly followed by infinitives), on their chosen side, from which to start.
3. On a student's turn, he/she follows these steps:
 1. Indicate which square you would like to claim. Squares must have at least one side touching a square which already belongs to you.
 2. Use the word(s) in the square, plus an infinitive of your choosing, to form a sentence.
 3. If the sentence is grammatically correct, color in the square.
4. The goal is to reach the opposite side of the grid. The first player to reach the opposite side is the winner.
5. When the game is over, simply wipe off the markings and store for next time.
